Actimove

Wrist Stabiliser

Removable metal stay, fits the left or right hand

Anatomically shaped stay for secure stabilisation, managing sprains and strains

- Pain relief and healing are supported through balanced warmth and medical compression
- Quick and easy to fit with slip-on design and individually adjustable straps
- Comfort and breathability through neoprene-free performance material
- Comfort provided from the premium soft material and seamless design
- Stabilises the wrist through an anatomically shaped removable stay, suitable for left and right hand application
- Can be easily worn under clothing due to low profile
- Paediatric size, approx. ages 2 – 7

Indications:

- Tendonitis
- Sprains, strains, soft tissue injuries
- Rheumatoid arthritis
- Post-operative care
- After cast removal

Slip-on design.
