JOBST /

JOBST® Classic

Durable and comfortable

Durable

JOBST Classic is a range of ready-to-wear, circular-knit, RAL compression garments for the treatment of lymphatic and venous conditions.

JOBST Classic provides an elegant, seamless compression garment that:

• Is suitable for both men and women

OBST/

CLASSIC

- Contains an active comfort yarn with elastane to make it easier to put on
- Maintains a good fit when active
- Provides consistent compression all day long
- Uses air permeable fabric to make it more comfortable to wear

JOBST[®] Classic

Compression Classes

Select the appropriate compression class for your patient's condition, taking into account limb shape, patient tolerance and potential of rebound oedema.

RAL Compression Class 2: 23-32mmHg

RAL Compression Class 3: 34-46mmHg
